

## IEEE Xplore-compliant PDF process for Cyber-RCI 2025 and Camera Ready Submission via Easychair

Final accepted papers for Cyber RCI 2025 must be IEEE Xplore-compliant before uploading the final paper to Easychair for Copyright Transfer.

For this aim, we have set up a PDF eXpress page (<https://ieee-pdf-express.org/>) for you to upload your paper for approval. Please follow the following procedures:

**Step 1:** Go to the website: <https://ieee-pdf-express.org/>

If you have not used “PDFeXpress” before, you will need to create an account first. The conference ID is **68134X**

You will also need the Cyber-RCI 2025 conference ID “**68134X**” for IEEE PDFeXpress.

**Step 2:** After validation of the account, an email of confirmation will be received.

**Step 4:** You enter in the Dashboard by clicking on “Dashboard” button at the left side (circled word)

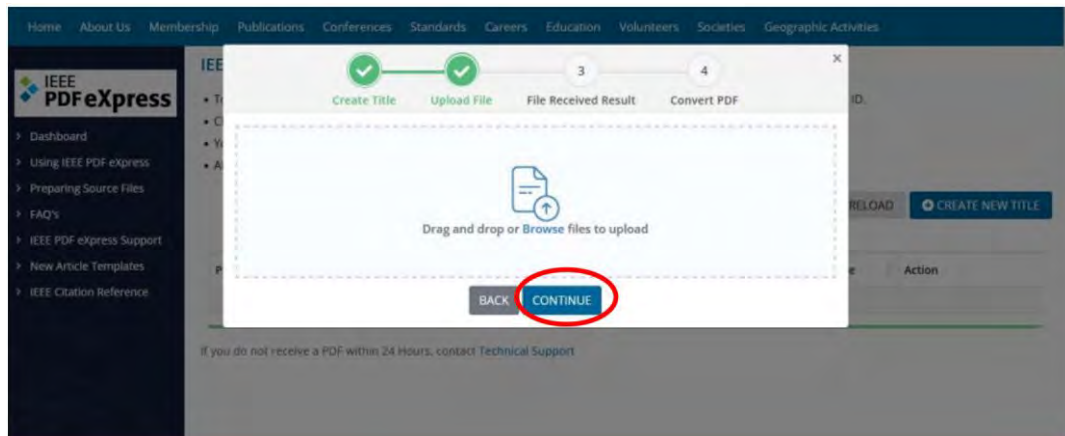

**Step 5:** To begin, click on the "CREATE NEW TITLE" button. You can convert 20 source files and check 10 PDF files with one Paper ID.

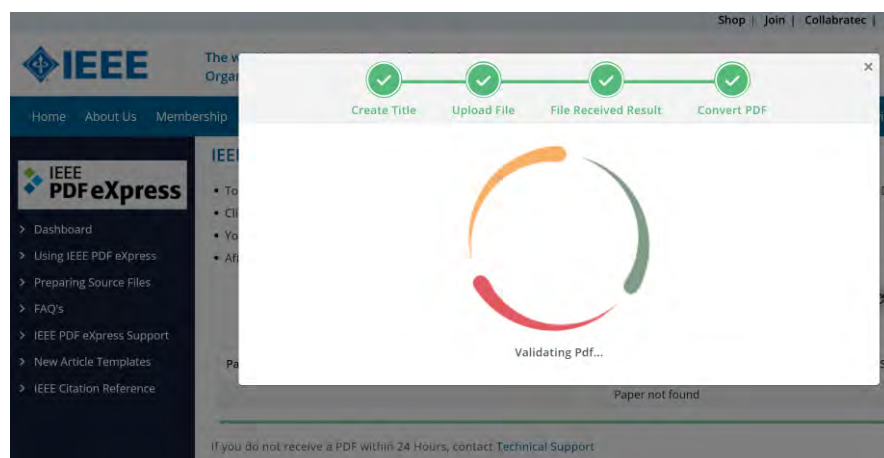

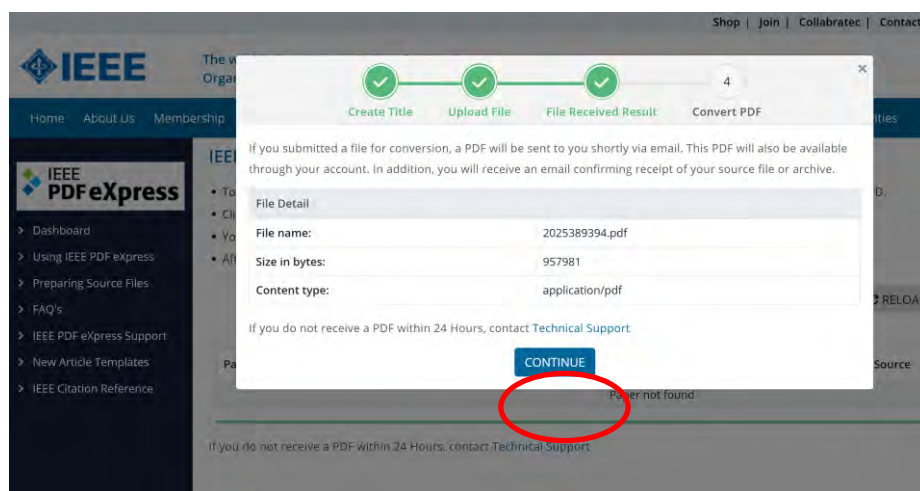

**Step 6:** In the new window, and in zone “Paper Title”, provide the title of your paper, and click on “CONTINUE”

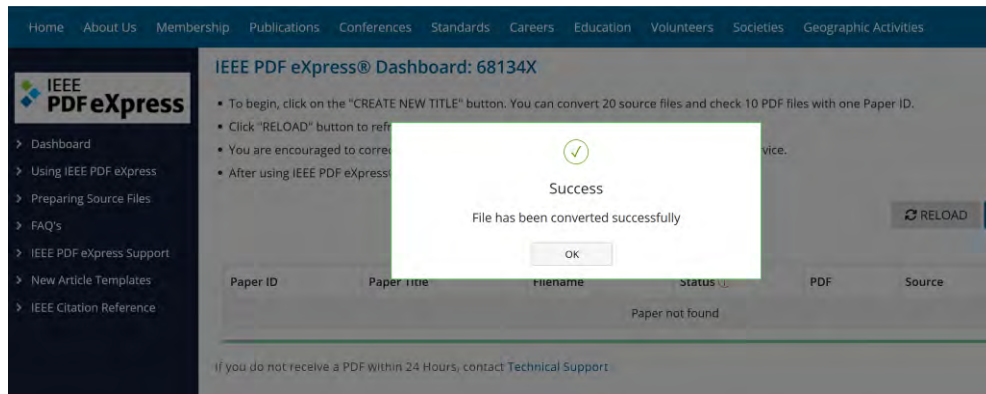

**Step 7:** Drag and drop your paper via PDF-Express (doc-file if you use word) or (ps-file if you use Latex), (pdf-files are also accepted), and click on “CONTINUE”.

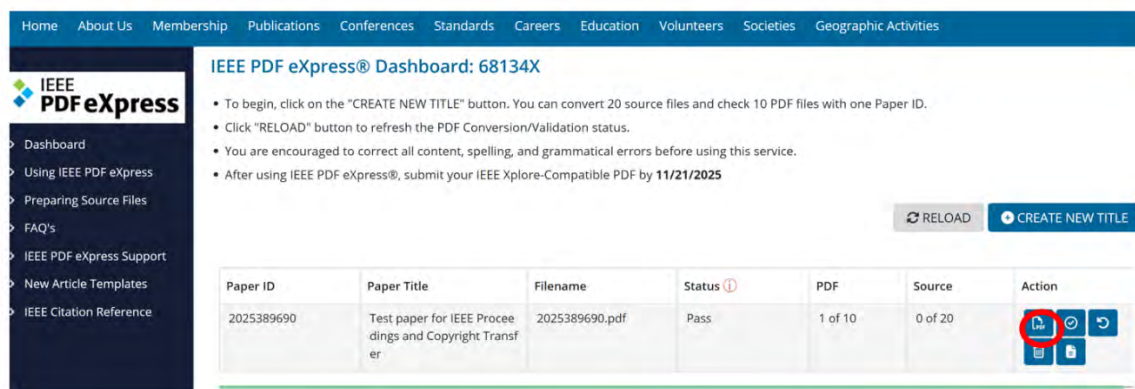

**Step 8:** You will obtain this window informing that your file has been submitted for conversion, and an email will be sent to you to inform you the reception of your file. Click on “CONTINUE”

**Step 9:** A PDF will be sent to you shortly via email. This PDF will also be available through your account. In addition, you will receive an email confirming receipt of your source file or archive. If the conversion was done successfully, then we will obtain the following window.

**Step 10:** By clicking on “OK”, you will return to your dashboard showing your paper with necessary details. Here you can also download your compliant PDF file.

**Step 11:** You can check that your PDF file is well converted with IEEE PDF eXpress, by opening the Property window in the PDF file.

**Step 12:** If you receive from PDF eXpress that there is an error (the PDF Conversion fails), you should follow this information to improve the formatting of the paper, and resubmit the paper again by clicking on the button “Try Again”. Repeat this action until you receive an approved PDF formatted file.

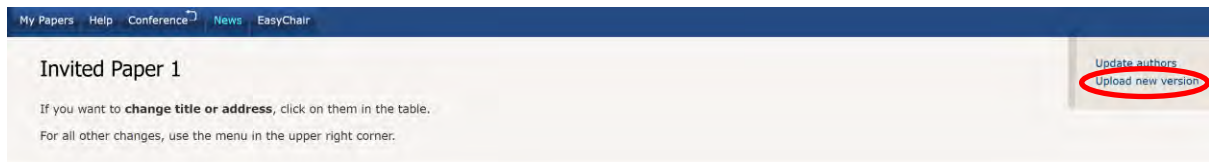

**Step 13:** After completing the above steps, you will receive the PDF eXpress approved version of your paper. This now needs to be submitted via the EasyChair portal. Steps on how to do this are contained in the next set of instructions.

## Steps to submit PDF eXpress approved Camera-Ready Version on EasyChair

**Step 1:** Log in to the EasyChair account and click on the proceedings author role.

**Step 2:** Click on the “Upload new version” and attach the PDF eXpress-approved version of your paper.

**Step 3:** When the file is uploaded, click on “Submit a New Version”.
